afternoon for over an hour. The truck tried to make the turn at the intersection, but became wedged <sup>AT</sup> ~~in~~ the back against a utility pole. Wreckers were brought to aid in pulling the rear of the ~~trailer~~ <sup>TRAILER</sup> around the corner.

Traffic <sup>MOVING</sup> ~~into~~ the heart of Bedford was detoured around the two main streets. Several trucks carrying the huge concrete beams made the turn without incident, but the second couldn't quite make it. The beams were being transported to the New Liberty High School about 2 miles north of Bedford on Route 122, The High School is under consturction.
