Roanoke City Council will be asked Monday---
to authorize completion of Wiley Drive from

(SHOW FILM)

City limit to City limit. The Transportation Museum
Committee would seek Federal funds for the
project---under the Parks and Open Spaces
program and under President Johnson's "Beautify
America" program--if it passes ~~in~~ Congress.

Committee Chairman Jim Trout says a wide concrete
base and special supports must be built--to
anchor the Jupiter Missile--which is being added
to the Museum this season. Officials are hoping
for 50-thousand visitors to the Museum this year.
