

(ROLL FILM)

Julian Hirst assumed his duties as City ~~Manager~~ Manager for the City of Roanoke this morning and

(TAKE FILM)

was pleasantly surprised to find his City Council waiting ~~this morning~~ to make him welcome. Following the amenities, Council sat down with their new executive officer and briefed him on current projects. Following the session, Hirst commented that he was gratified that Council called on him. Hirst says he will have to study Roanoke's various projects and problems before he can comment on any plans he has.
