

(ROLL FILM)

This morning brought pickets for the first day of a strike at the H.O. Canfield Company Plant at Iron Gate in

(TAKE FILM)

Alleghany County that was authorized Saturday. Canfield Manager Ehris Jensen says he is expected a Federal Mediator soon to help bring about an end to the strike. Jensen says ~~XXXXXXXX~~ the company requested the mediator after the membership of the National Association of Machinists local turned down a proposed contract. Jensen says from 400 to 420 employes are idle. The manager says clerical, staff and supervisory employes were on the job today. The rubber products plant normally employes about 500 persons.
