

(LIVE ON)

A legislative Study Commission on Technical Training toured the Roanoke Technical Institute this morning. The group will make recommendations to the Governor on ways to increase the number of skilled workers in the labor force. Commission Chairman Delegate D. French Slaughter Jr. relates the need of more skilled labor to the State's Industrial Development Drive.

(ROLL FILM)

Slaughter was asked if the ~~State~~ Commissions recommendation might include one for a compulsory school attendance law:

(TAKE FILM) SOUND UP End Cue: "\_\_\_\_\_".)
