

~~†~~ In Sports Today...

(roll film)

The roar of auto racing was heard again in Martinsville, where the once-postponed Martinsville (take film) "Five Hundred" race will be run tomorrow afternoon... Today, the feature was a modified-sportsmanx race, won in convincing fashion by Red Foote of Southington, Connecticut... Foote, driving car J-2, a 1937 Ford, set a track record in qualifying for the feature, and went on to win it... Glenn Wood, in car 16, and Perk Brown, in 45-A, familiar to Starkey Speedway fans, ~~duel~~ dueled for second ~~with~~ place, with Wood taking it, five car lengths behind Foote... Brown came in third. Other finishers in the race, in order, were Jesse Gilley of Martinsville, George Dunn of Raleigh, Ray Platte of Norfolk and Hank Thomas of Winston-Salem. A wreck early in the race forced the field to slow down, as the caution flag was out. No one was injured....
