

(START FILM)

This spring is running true to form by bringing grass fires to pester City and County firemen.

(SHOW FILM)

A grass fire which went out of control in the Edgewood section this afternoon destroyed a workshop and its tools, with damage estimated at around five thousand dollars. <sup>ELMER</sup> ~~ELMER~~ Whitmire was burning off his back yard when the fire ignited some leaves around the workshop, building. It jumped to the ~~workshop~~ and quickly burned it to the ground. While firemen were battling the Edgewood blaze, Roanoke city firemen were hosing down grass fires in three different locations. One was reported in the Southwest section of the City and two others in Southeast.
