1.	4	7	LS STADIUM	Here it comes, the World Series! The same two teams battle again, the Braves and Yankees, but this time the big series opens in Milwaukee, and the town the Yankees called bush league last fall is hoping for another chance to crow over the New Yorkers.

17.	36	60	LS STADIUM	The Yankees got off to a furious start that tore the American League apart before the race was half over but since then they've been considerably short of sensational. In fact, they've won less than half their games since the All-Star break. However, their star pitcher, Whitey Ford, seems now recovered from a sore arm.
