

(ROLL FILM)

Four newly elected members of the Bedford County Board of Supervisors have completed a tour of the county

(TAKE FILM)

school system to familiarize themselves with the current ~~xxxx~~ improvement program. County School Superintendent Roy Kyle and School Board members accompanied the Supervisors. On the agenda ~~was~~ were schols in Boonsboro, Big Island, the New London Academy and Bedford Town. The High Schools toured will be consolidated next year into the new Liberty High which is expected to be complete next fall. 15 hundred students will attend the new ~~facility~~ facility. Scene of construction is off route 122 about two miles North of Bedford. Superintendent Kyle explained to the group the difficulties encountered in converting the former high schools for use as elementary schools in the future.
