In Roanoke County----- (ROLL FILM)

Fire did considerable damage last night to a house in the Edgewood section. (SHOW FILM)

The kitchen, a bedroom, part of the attic, and the rear of the house occupied by L.R. Trout and his family were damaged by the flames which started behind a refrigerator.

Salem fire chief L.A. Ballard says the house and contents were partially covered by insurance.

There's been no estimate of damage made and the exact cause of the blaze hasn't been definitely determined.
