((Keep the film rolling))

Somehow - yesterday - three Botetourt County men emerged without serious injury from a truck accident 10 miles south of Roanoke. (((Show the film))

The one-vehicle accident happened on Route 696 when the pickup truck left the highway and ripped into a big tree. Thrown from the truck by the tremendous impact were 29-year-old Edward J. Spence; 24-year-old Aubrey A. Lee and 23-year-old James E. Henderson all of Troutville. Later Henderson was picked up on two old traffic charges from Botetourt County.

State Trooper Henry Meade along with Troopers Johnny Holt and Doyle Peer arrested the Marine in a house near Bent Mountain. Besides the traffic charges, Meade says Henderson is wanted for desertion from the service. (Back to M.)
