

In Salem----(roll film)

The operator of a taxi-service has been honored as that Community's Boss of the Year. (show film)

He's Robert L. Barnett, who was surprised at Salem Jaycee Boss of the Year dinner last night. Barnett was cited for 19 years' service to the town of Salem.

Barnett received the honor from the hands of Dr. Bob McClanahan, who said Barnett has been especially helpful in aiding Salem's youth to acquire a higher type of education that Barnett himself didn't receive.

The award came as a complete surprirse to Barnett.
