In the Hill City...(start film)...City police and firemen are currently attending classes in bomb disposal work.

(show film)

The three-day session in bomb location, identification and disposal for Police and fire officials of the city started Monday night with lectures in the Municipal building. The classes concluded today. One of the classes was taught by a team from an explosive disposal detachment from Fort Lee Military Reservation. In addition to classroom lectures, field demonstrations were used to teach technique. The classes have been restricted to ranking police officers, a number of patrolmen, and representatives of the fire department. Conducting the classes are Master Sergeant J. V. Shephard and Specialist W. J. Haze..
