

No action was taken today by the Pulaski County School Board on the matter of 18 negroes seeking admittance to the All-white Pulaski High School-----(((SHOW FILM)))

Pulaski County has no negro high school and the School board met today to discuss integration. The applications of the negroes probably won't be processed before next week but School Board Officials have indicated that when they are process they'll be sent to the state Pupil Placement Board.

School Superintendent Frank Critzer says nothing has been done at this time.....
