ization tonight^{last night}---during a ~~school~~^{CLASS} of republican
politics. Poff said that while nearly all
Virginians agree that the Federal government
is too big--and regulates our lives too much---
most people forget that State and local govern-
ments' inaction and surrender----is the cause
of too much Federal jurisdiction. The Republican
Congressman was guest speaker at the last session
of the school of Republican politics at Patrick
Henry High School. Poff suggested that the G-O*P
become the States' responsibility Party.
