(ROLL FILM)

Between three and four inches of snow from the latest storm to move across Virginia has accumulated in

(TAKE FILM)

the far Southwest Wytheville Highway District. Chains ~~or~~ or Snow tires are recommended for all Primary and Secondary Routes in the Wytheville Highway District. In the Salem District, Chains are required on Routes eight, 57 and 58 in Patrick County. Snow is reported beginning to stick on ~~XX~~ 221 in Floyd County. Chains or snow tires are also being required on all roads in Montgomery, Pulaski and Giles County.

There is no accumulation reported yet in the Roanoke Valley or the other counties in the District. However it is snowing ~~xxxxxxx~~ heavily in Carroll County in the vicinity of

~~INSERT #4~~

Hillsville. At last report, Schools in Charlotte and Bedford Counties, which were closed today, will reopen tomorrow. But Schools in Bland County <sup>FRANKLIN + GILES, + CARROLL</sup> will be closed tomorrow.
